UK Government**

Presented by
Department for Business &
Trade Cyber Hub Team

CYBERCRIME

 Thursday 28th November, 2024
12 noon to 1pm

Body

Stay Ahead of Cybersecurity Threats!

Discover the Resources and Support to Safeguard Your Business

Join us for a webinar hosted by the South Central Growth Hub Cluster, featuring experts from the Department for Business and Trade's Cyber Hub Team, to help you protect your business from costly cyber threats.

Who should join this webinar?

Business owners and senior managers who may not be experts in cybersecurity or IT but want to protect their businesses from serious and costly cyber-attacks.

What Will Be Covered?

- Cybersecurity Matters: Protect your devices and personal information.
- The Cyber Threat Landscape: Understand and manage cyber risks.
- Common Cyber Attacks: Learn about phishing, malware, ransomware and more.
- Supply Chain Risks: Safeguard your business from supplier vulnerabilities.
- Government Support: Utilise free NCSC services to enhance your defences.
- Practical Guides and Tools: Access essential cybersecurity resources.
- Top Tips for Staff: Empower your team with crucial cybersecurity knowledge.

Don't miss this opportunity to enhance your understanding of cybersecurity and learn practical steps to protect your business from cyber threats.
